20a. How does the Committee accomplish its purpose?

CURRENTLY, CAIP IS INACTIVE: Order No. 12916 dated May 13, 1994 established an interagency committee (Finance Committee) composed of representatives from the Departments of Treasury, Agriculture, Housing and Urban Development and the Small Business Administration and chaired by the Department of the Treasury to implement the U.S. Community Adjustment and Investment Program (USCAIP). The Finance Committee received the advice of the

Advisory Committee on the following matters: (1) advice on guidelines to be established for the loans and loan guarantees to be made by Federal credit agencies selected to assist in carrying out the USCAIP and by the NADBank Los Angeles Office on the direct lending program; (2) advice on identifying the needs for adjustment assistance and investment in support of the goals and objectives of the North American Free Trade Agreement (NAFTA) Implementation Act, taking into account economic and geographic considerations; and (3) advice on such matters requested by the Finance Committee. The Advisory Committee was also tasked to review on a regular basis the operations of the USCAIP and provide the President, through the Finance Committee with conclusions of its review.

20b. How does the Committee balance its membership?

CURRENTLY, THERE ARE NO MEMBERS APPOINTED: The Advisory Committee would consist of members of the public, appointed by the President, who collectively represent: (1) community groups, whose constituencies include low-income families; (2) scientific, professional, business, non-profit, or public interest organizations or associations which are neither affiliated with, or under the direction of a government entity; and (3) for-profit business interests.

20c. How frequent and relevant are the Committee Meetings?

Since its inception in 1995 the Advisory Committee has met 12 times. Previous policies and procedures recommended by the Advisory Committee have been implemented and proven effective. Meetings were scheduled on as

as-needed basis.

20d. Why can't the advice or information this committee provides be obtained elsewhere?
One function of the USCAIP is to provide financing for community adjustment and investment to further the purposes of NAFTA. The president established the advisory committee to provide advice to the Federal agencies responsible for the program on issues such as implementation, guidelines for loans and guarantees, identifying areas needing assistance, program modification, and evaluation of program operations. The president appoints selected members of the public who serve pro bono, and who collectively represent a cross section of community groups, scientific, professional, business, nonprofit, public interest organizations, and for-profit business interests.

20e. Why is it necessary to close and/or partially closed committee meetings?
N/A

21. Remarks
CAIP is currently inactive and has been for several years. The Treasury has made the determination to allow the charter to lapse, and will renew it if needed..
