20a. How does the Committee accomplish its purpose?

The nonpartisan Citizen's Health Care Working Group was tasked with engaging the public in a nationwide discussion of options to address the current crisis in health care and improve the health care system in the United States. By listening to citizens from communities across the country, the Working Group developed recommendations to transform the nation's health care system while addressing runaway costs, unaffordable care, and unreliable quality.

20b. How does the Committee balance its

membership?

Per statute, members of the Citizens' Health Care Working Group were named by the Comptroller General of the United States. The Citizens' Health Care Working Group was comprised of 14 citizens from diverse backgrounds who were selected to represent an informed cross-section of the American people, in addition to the Secretary of Health and Human Services who was specifically named in the statute.

20c. How frequent and relevant are the Committee Meetings?

The workgroup did not hold any meetings in FY 2007.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The Citizens' Health Care Working Group is fulfilled the requirements of section 1014 of the Medicare Modernization Act.

20e. Why is it necessary to close and/or partially closed committee meetings?

No meetings were held in FY 2007.

21. Remarks

This committee was established to (1) identify options for changing our health care system so that every American has "the ability to obtain quality, affordable health care coverage," (2) provide for a nationwide public debate about improving the health care system; and (3) develop a final set of recommendations to the President and Congress that reflects the results from that debate. This report was provided to the President and Congress in Fiscal Year 2006. No meetings were held in FY 2007. This committee was terminated on March 25, 2007.
