20a. How does the Committee accomplish its purpose?

Through their meetings and follow-up correspondence, the Council members advise and assist HHS and its partners in developing and implementing goals and objectives to enhance health status and reduce risks for Americans by the year 2010. Their recommendations have been

adopted in large part.

20b. How does the Committee balance its membership?
In balancing its membership between former Assistant Secretaries for Health and currently-serving heads of HHS Operating Divisions, the Council draws on the historical perspectives of the former group and the contemporary experience of the latter.

20c. How frequent and relevant are the Committee Meetings?
Approximately once a year, the minimum necessary to ensure viability of the effort.

20d. Why can't the advice or information this committee provides be obtained elsewhere?
No other readily-accessible body or source of information exists comparable to the range and depth of knowledge represented by members of the Council.

20e. Why is it necessary to close and/or partially closed committee meetings?
N/A
