**20a. How does the Committee accomplish its purpose?**

The occasional value of the open advisory committee meetings to the public, the distribution of meeting minutes throughout the community, the State, and other interested parties, and the continued media coverage of the advisory committee analysis of planning documents has been critical to the consensus-building process in the community for the completion of the General Management Plan/Environmental Impact Statement.

**20b. How does the Committee balance its**

**membership?**

The eleven members on the committee represent a broad cross-section of the public interested in the long-term management of the Niobrara National Scenic River. Members represented property owners in the Niobrara Valley, canoe outfitters, the State of Nebraska, county and/or natural resource districts, and the conservation community.

**20c. How frequent and relevant are the Committee Meetings?**

The Commission met once prior to expiration. Since the group represents the community, their discussion of issues provided critical input to the decision-making process. The public meeting provided an open forum for discussion with community members who attend the meetings or write letters to the advisory committee.

**20d. Why can't the advice or information this committee provides be obtained elsewhere?**

The Niobrara Scenic River Advisory Commission was established pursuant to Public Law 102-50, to advise the Secretary of the Interior on matters pertaining to the development of a management plan, and the management and operation of the 76-mile Niobrara National Scenic River.

**20e. Why is it necessary to close and/or partially closed committee meetings?**

All meetings were open.

**21. Remarks**

(1) The advisory commission met once in 2001, just prior to expiration on May 24, 2001.
